

## 90-500.1. POLICY

---

### **A. General**

This section provides a brief overview of the policy for determining the GR grant.

---

### **B. Definition**

Need in GR is the difference between the applicant's/recipient's total allowable need (as established within this chapter) and any net income available to meet that need. Basic Needs shall include housing, food, utilities, medical assistance, and "other" needs such as clothing and transportation.

---

### **C. Maximum Grant Determination**

The Board of Supervisors and HHSA have established monthly Maximum Basic Need Rates for GR recipients. The Basic Need Rates for various Budget Units are stated in [Appendix A](#) of this chapter.
