SUSPECTED CHILD ABUSE REPORT
(Required under Penal Code Sections 11166 and 11168)

I. INSTRUCTIONS

- A. Please use 'FAX' Report Monday through Friday, 8:00 a.m. to 5:00 p.m. only. Call the CSB Hotline at all other times, including holidays. Do not send the SS8572 if you have faxed this form.
- B. Do not use 'FAX' Report if you have already telephoned the report to the CSB Hotline. Submit the standard 'Suspected Child Abuse Report,' Form SS8572.
- C. The 'FAX' Report is intended to save you and the CSB Hotline time. If you feel it is essential to talk to a social worker, please call the Hotline instead of using the 'FAX' Report.
- D. Please complete every space on the 'FAX' Report. If you do not know certain requested information, write unknown.
- E. Please type or print legibly in black ink to avoid a time consuming callback.
- F. 'Narrative' (Items #7, #8, #9). Complete information in this area is essential. Please comment as fully and specifically as you can regarding the physical abuse, sexual abuse, emotional abuse, neglect or other abuse you are reporting. State how and when the information in this report was received by you or your family. Who has observed the abuse? Describe any physical injuries, including marks or bruises. How often or how long has the abuse occurred (give dates, if available). Does the alleged perpetrator continue to have access to the child? Is the child presently in danger? Include medical impressions and/or diagnosis, if available, and name of the examining physician. Do behaviors or circumstances suggest any danger to an investigating social worker?

If additional space is needed, please continue in the appropriate item # on another 'FAX' Report form, again identifying the victim in Item #2 to ensure that pages can be properly matched.

II. REPORTING RESPONSIBILITIES

- No child care custodian or health practitioner reporting a suspected instance of child abuse shall be civilly or criminally liable for any report required or authorized by this article (California Penal Code Article 2.5). Any other person reporting a suspected instance of child abuse shall not incur civil or criminal liability as a result of any report authorized by this section unless it can be proved that a false report was made and the person knew or should have known that the report was false.
- Any child care custodian, health practitioner, or employee of a child protective agency (CPA) who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she reasonably suspects has been the victim of child abuse shall report such suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident. The 'FAX' Report will meet this requirement.
- Any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or who reasonably suspects that mental suffering has been inflicted on a child or its emotional well-being is endangered in any other way, may report such suspected instance of child abuse to a child protective agency.
