1 of 1

Effective Date

10/01/2022

Background:

As part of the implementation of the General Relief (GR) Program changes effective February 1, 2014, GR grant amounts change whenever the CalWORKs Maximum Aid Payment (MAP) grant amounts change.

Purpose:

To provide the increased grant and in-kind values based on the CalWORKs increase.

Policy:

Due to the CalWORKs MAP increase effective October 1, 2022, GR will have a 11% grant increase. GR is not using the additional temporary 10% CalWORKs increase.

Procedure:

Use the increased grant and in-kind values to determine eligibility and ongoing grant amounts effective October 1, 2022.

Impacts:

Automation

CalWIN will run a Cost-of-Living Adjustment (COLA) batch job on the weekend of September 4, 2022.

Instructions on any reports resulting from this run will be issued separately.

Other Programs Affected

CalFresh Recipients who receive both GR and CalFresh will need their CalFresh benefits to be recalculated because of the increase in the cash grant. This action is considered Known-to-County information. Refer to the CalFresh Program Guide.
