Number

Page

1 of 1

Effective Date

July 1, 2022

Background:

The Family Members Base Allocation (FMBA) amount is used when determining how much income an institutionalized or Home and Community Based Services (HCBS) spouse may allocate to family members.

Purpose:

To inform staff of the new FMBA amount.

Policy:

Effective July 1, 2022, the FMBA amount is \$2,289.

Procedure:

Effective July 1, 2022, use the updated FMBA to calculate allocations to spouses and dependent family members of an institutionalized or HCBS spouse. For cases that used the 2021-2022 amount of \$2,178, recalculate the FMBA with the updated amount of \$2,289.

Automation Impact:

Until the FMBA is updated in the California Work Opportunity and Responsibility to Kids Network (CalWIN), calculate the FMBA manually and override to the appropriate aid code or share-of-cost (SOC). Image the manual budgets into the CalWIN Electronic Records Management System (CERMS) and enter detailed case comments regarding all case actions taken.
